

To Whom It May Concern,

The Enbridge® Tour Alberta for Cancer®, benefiting the Alberta Cancer Foundation, is more than just an event — it's a community of passionate Albertans driven by a united purpose.

Currently 1 in 2 Albertans will face a cancer diagnosis in their lifetime. While we can't control when or how cancer affects us, we do have the power to drive change. This July thousands will come together to cycle 200 km over two days through Alberta's foothills, united in our mission to create more hope and more moments for those facing cancer in our province.

Each participant has committed to raising \$2,500 for the Alberta Cancer Foundation to take part in this event, and the net proceeds will support groundbreaking research, clinical trials, and enhanced care at cancer centres across Alberta.

_____, Participant number _____, is a registered participant in the 2026 Enbridge Tour Alberta for Cancer on July 18th and 19th, raising critical funds to help create more moments for Albertans facing cancer. Their dedication to this cause highlights the strength of our community and the difference we can make together.

Please accept this letter in recognition of their fundraising efforts and commitment to making an impact. If you have any questions, feel free to contact us at 403-993-9172.

Thank you for supporting the Alberta Cancer Foundation.

Sincerely,

Tour Guide
